Greetings to All,

Cedar Lodge is a children's summer camp and recreational facility that offers a variety of activities - swimming, drama, arts/crafts, etc. – as well as a strong riding program. The stable is a year around boarding, training and teaching facility.

We spend many hours preparing for our horse shows to be both a quality Hunter/Jumper Show and a fun time for all our guests. While you are here, food services will be available in our observation room. Several cabins are available for families and stable groups to rent. Weather permitting our swimming beach will be open after the show each evening. Check times for when a lifeguard will be available!

Thank you for coming!

I got off of 1-94 at Exit 52. Where do I go from here?

Go left (north) off the exit ramp. Approximately 1 ½ miles into the town of Lawrence. Go through the stop light. Continue straight (north) for approximately 1 ½ miles. You will come to a stop sign at the bottom of a small hill. Keep going straight (north), we are the first place you come to after the stop sign, on your left hand side. First drive way is the stable, second drive way is the farm house, third drive way is the summer camp and guest house. **THE ONLY WAY YOU CAN GO WRONG...** Right after the town of Lawrence as you are heading out of town you will go across a bridge (Paw Paw River) after the bridge, it looks like the main road veers off to the left. **KEEP GOING STRAIGHT** (north). That way you will continue to follow 52nd street. Don't worry about the signs, they change as you go.

Show Rules

1. Medal class riders may ride in more than one medal class, following the 3” rule. When there are medal finals, they must declare only one height for final competition.
2. Riders showing in the Regular Ring are ineligible for LMHJA Basic classes except for Novice Warm-up and Novice Working Hunter divisions. Basic Ring riders may only enter into classes in other rings that are 2’3” and under.
3. ATTENTION: Riders and coaches of REGULAR RING - BASIC RIDERS have the right of way and control of the BASIC RING during schooling/warm-up. This will be monitored and enforced for the safety of our less experienced riders.
4. The warm-up classes will be using an open card system open to all fence height divisions to be judged as one class. A horse/rider combination may enter once at each eligible fence height each day, but must pay for each warm-up height entered. There will be no year-end or championships awarded. However, each day of the show the top riders will receive rating on their rounds and top rounds will be awarded 1st place ribbons.

Schooling will be allowed in all rings on Friday, weather permitting and Saturday morning in Basic and Regular ring up to ½ hour before the start of each ring.
